

Intern Job Description

Governor O'Malley's Office of Community Initiatives (GOCI) is one of seven Coordinating Offices in Maryland State Government. The State's ethnic Commissions (Continental African, Asian Pacific American, Hispanic, Indian/Native American, and Middle Eastern specifically work to better connect these communities with their State government.

GOCI is pleased to provide internship experience to highly qualified individuals who exemplify commitment to serve the State of Maryland and desire for exposure to State government.

Note: This is an unpaid internship. GOCI is willing to partner with colleges, universities, and other programs to offer credit. Applications are accepted on a rolling basis.

To apply, please send your resume and cover letter to:

David Wang,

Administrator, APA Commission
